5th November 2020

Dear parents/carers,

As you will be aware, there are new national restrictions that come into place from today. We remain open and will try to operate as fully as possible. We follow any Government guidance and act swiftly to put these into place. I am aware that for some, it is a difficult and worrying time. Please contact the pastoral team if you have any concerns or would like to chat to someone.

Our key priority, as ever, is to protect our school community. We continue to strongly recommend that you wear face covering when entering the school grounds and insist that you wear one if you need to enter the Reception/office area for any reason. Please continue to only send one member of your household to collect and drop children off to help us limit the number of people on site.

Following recent guidance, we will be keeping classrooms well ventilated, even in the colder months. If your child would like to wear an additional layer, then we suggest a layer underneath their school uniform.

Unfortunately, at the current time, we have had to cancel the school photographer for Monday 9th November. However, we have a new provisional date of Thursday 3rd December 2020 providing we are not still in lockdown. I will update you on this nearer the time.

Following national guidance, we will also have to pause all after school clubs until further notice. Hopefully, this will be able to resume soon.

It is important to us that children continue their school life as much as safely possible. Staff are currently working on plans for Christmas activities and I will update you when they have been finalised.

We are keen to continue with parents evening and at this time, we will use a phone call system instead of inviting you into school. More information will come about this tomorrow.

Yours sincerely

'We Inspire to Aspire'

Lucy Wright
