### Theme

**This half term we are focusing on Nursery rhymes.**

We will be enjoying our favourite nursery rhymes and learning some fun new ones.

During this half term we will focus on getting to know our friends and feel happy and settled at nursery. We will encourage your child to explore all the lovely activities on offer, many focusing on the number and mark making skills they will need as they progress through nursery and into Reception class.

### Summer weather

As the weather gets warmer please ensure children bring sun hats and apply sun cream at home before they come to school.

### Library book & homework - Thursday

Thursday will be our [Library book day](#). Your child will be able to bring a book home to share with you. (These need to be brought back by Tuesday so we can quarantine them ready for the children to select on the following Thursday.)

[Homework](#) -We will send a little activity which is related to the learning they have been doing in nursery wein the week. This can be brought back with their library book on a Tuesday

## PE
