

## Reception Autumn Term Newsletter

Firstly from all the Reception team we would like to say a huge well done to our children for settling into our family at Rivers incredibly well. Our children continue to make us proud each day. We are proud of how they have come into the classroom independently, how quickly they have adapted to the school routines, how well they follow our school rules and most importantly just how much progress they have made in learning over the first half term.

**This half term is going to be full of more fun activities, we are learning about**

**We will be learning about 'Birthdays, Diwali and Christmas.'**

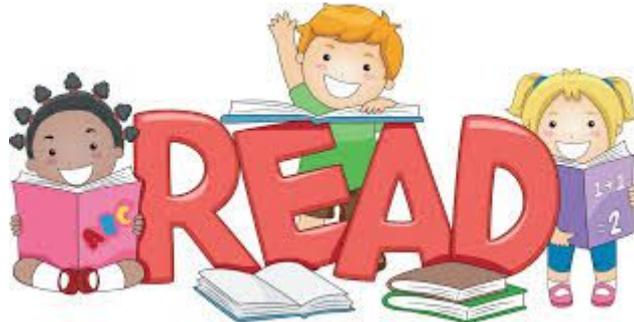

### Homework

It has been great to see lots of children completing their homework. We have had some lovely pieces of homework linked to our theme, children have been very creative. Thank you for uploading photos onto dojo and tapestry.

Homework is sent out every Thursday and needs to be completed by the following Tuesday.

## **Tapestry**

We have an online learning journey system in school, if you haven't given us an email to give you access to your child's learning journal, you can still do this. Once you have received an email from Tapestry, you will need to activate your account. Thank you to all parents who have been uploading learning at home, it is lovely to see this and talk to the children about what they did at home.

## **Library Book**

Children will be bringing a library book every Friday. This book will be a book children choose to share with their family. It is an opportunity for you to enjoy a book with your child. Please return library books back to school by the following Tuesday, this will enable us to quarantine them for 72 hours before children are able to pick another book.

## **Home reading book**

As children are becoming confident in blending simple words to read, we will be sending home a reading book with your child. If your child has a home reading book, please listen to your child read the book and record how they are doing in their planner. You can do a few pages each day. Please ensure these books are in your child's black reading bag everyday.

## **Christmas**

This year under the circumstances we are unable to do our usual Christmas performance for parents/carers. We are hoping to perform a Nativity and record it for parents/carers to view. We appreciate this will not be the same, however we will try to make it a memorable one for you and your child. More details to follow soon.
