

Reception Summer Term Newsletter

Welcome back

Hope you all had an amazing Easter break!

This term we have lots of exciting things to look forward to. Our topics this term are 'Growing and Changing in Summer 1 and 'Travelling' in Summer 2.

We will be having live caterpillar eggs for children to learn about the lifecycle of a butterfly.

Attendance

Last term, children who attended the Nerf Battle attendance event had a fabulous time. Children who have 97% or above attendance for the term, they will be able to attend the attendance golden ticket event. Let's see we can have lots more children attend this term.

Planners

Please continue to hear your child read daily. There are a lot of children who do not have their planner filled in. Please fill in their planner daily to show us how they are getting on. We check planners weekly.

PE

Our PE day will still be Tuesday. We have noticed some children not coming in the Rivers PE kit. Children must wear the Rivers black PE top and black jogging bottom or black leggings. On PE days only children can wear black trainers with their PE kits.

Trip to Hatton Country Farm

Reception children will be visiting **Hatton Country Farm** for the whole day on **Wednesday 22nd June 2022**.

This will be linked to our topic of growing and changing. More details will follow soon.
