## Reception Summer Term Newsletter

### Welcome Back!

We are looking forward to the summer term and hopefully plenty of sunshine with lots of exciting things planned.

This half-term we are going to be learning about '**Growing and Changing.**' Children will have the opportunity to plant a bean and watch it grow. We will also be having live caterpillar eggs and learn about the lifecycle of a caterpillar.

### PE

PE will now take place on a **TUESDAY**

Please send your child to school in their school PE kits on this day every week:

T-Shirt - Rivers PE t- shirt

Shorts - Black

Pumps or Trainers for outdoor use (not school uniform footwear)

A dark coloured tracksuit (for colder weather)

School Jumper (for colder weather)

### Book Bags and Homework

Please ensure that your child brings their book bag to school every day.

We will be continuing to send home reading books. Please listen to your child read the book and record how they are doing in their planner. Please ensure these books are in your child's black book bag along with their planner everyday. We will be listening to your child throughout the week so it is vital that these are brought to school.

Please ensure children are completing the set homework. Homework will go out on a Thursday and should be returned to school on Tuesday.

### Summer weather

As the weather gets warmer please ensure children bring sun hats and apply sun cream at home before they come to school.
