

Year 3 Summer Term Newsletter

Welcome back!

We hope you are all well rested and had an egg-cellent Easter break. This term, you will be learning how to write a non-chronological report, learning new methods in maths based on measure, experimenting with the artistic styles of Picasso and William Morris and even starting another whole class reading book!

We expect that children complete their homework weekly on Century Children all have their own account. Please continue to let us know if you have any issues with logging on.

Reading

We have just finished our classic text' book, Wind in the Willows, learning lots of new vocabulary and making comparisons in language between then and now. This week we are moving on to our new mystery text 'My Family and Other Ghosts'

This half term, children will come home with a new ZPD range bookmark. This is the level that the children have received after STAR reading testing. They are able to choose a reading book from the library using this new bookmark. It is really important that children read at home every day, even if only for five minutes! Also, children are able to complete their planners themselves when they have read at home. Please could you sign their planner once they have completed the activity.

Magic Moments

Summer Term brings the start of our new theme, Magic Moments. In this theme we will be learning about the Platinum Jubilee, and how we can use various artistic medians to celebrate and display the monarch's amazing 70 year reign! All of this will lead up to a really exciting Fabulous Finish!

PE

Y3 PE days will be **Wednesday (outdoor)** and **Thursday (indoor)**.
On these days only, please send your child to school wearing their school PE kit:
T-Shirt - School provided
Shorts – Black

Pumps or Trainers for outdoor use (not school uniform footwear)

School Jumper (for colder weather)

Please ensure all items of clothing are clearly labelled with your child's name just in case they go missing, it will help us to try and find them.
