

Year 6 Summer Term Newsletter

Welcome back to school!

Animal Farm

Our new text is Animal Farm - a novel about a group of animals who take control of the farm they live on.

The animals get fed up with their master, Farmer Jones, so they kick him out. Once they are free of the tyrant Jones, life on the farm is good for a while and there is hope for a happier future of less work, better education and more food. However, trouble brews as the pigs, Napoleon and Snowball, fight for the hearts and minds of the other animals on the farm.

Magic Moments

To commemorate the Queen's Platinum Jubilee, our music and art sessions this half term will be inspired by the celebrations that will take place along with honouring the reign of the world's longest serving monarch. We will look at shadow and tone in art to create realistic creations of swans and portraits of the Queen. In music, we will look at putting a modern spin on the National Anthem using ICT.

Planners + Reading

Please enjoy reading with your child for at least 10 minutes every day and sign their planner to show that you have listened to them. Children are expected to bring their planner and into school every day so that their teachers can support their reading in school. Any lost planners can be replaced for £3 which can be paid via ParentMail.

SATs

During WB 9th May, Year 6 will be completing statutory assessments. Attendance on these days is imperative. Unless your child is seriously ill, they will be expected to attend school.

We will make every effort to ensure the assessments cause as little stress as possible. To make the week more enjoyable, breakfast will be provided and children will be provided with snacks throughout the day to keep energy levels high!
