Key Rules		Key Teaching Points	Glossary
<p>Games comprise of one innings where each team will take turns in batting and fielding/bowling. The fielding team will have a bowler bowl the ball to the batter who tries to hit the ball with their bat to score runs.</p> <p>The fielding team tries to get the batters out by: Hitting the wickets with the ball when bowling Catching a batsman's shot on the full Hitting the wickets before the batter can run to the other end of the pitch</p> <p>The batters try to score as many runs as possible while not getting out by: Hitting the ball and running between the wickets and making it to the other end before the fielders can hit the wickets with the ball. Each time you run one full length of the pitch it equals 1 run. Hitting the ball to the boundary along the ground is 4 runs. Hitting the ball over the boundary on the full equals 6 runs.</p> <p>The aim of the game is to score as many runs as possible, while the fielding team try to take as many wickets as they can and limit the amount of runs scored. The team with the most runs wins.</p>	<p>Over arm bowling</p>	<p>Hold the ball with two finger and a thumb if you can. Make a 'T' Shape with your arms. Step forward with opposite foot to bowling arm. Release with straight arm.</p> 	<p>Batter: A player on the batting team. Runs: The unit of scoring. Bowler: The player who starts the game by bowling to the batter. Wicket Keeper: The player on the fielding side who stands behind the wicket. An over: The delivery of six consecutive legal balls by one bowler. Crease: The lines in front of the wickets that mark positions for the bowler and batter. Fielder: A player on the fielding team, other than the bowler or wicket keeper Innings: The period of time an individual or team bat for.</p>
	<p>Long Barrier Fielding</p>	<p>Track the ball, making sure your body and hands are ready for the ball. <i>If body is correctly behind the ball you will still stop the ball, even if your hands do not.</i> Get low to the ground, side on to the ball with one knee touching the heel of your opposite foot creating a barrier.</p>
