Rationale

At Rivers Primary Academy we believe that each and every one of our children deserves the very best and each and every one of our children is special in their own unique way. All of our staff work hard to ensure that every child has the best possible learning journey and we strongly believe that together as a community 'we inspire to aspire'. In order for our children to learn and thrive, they must regularly attend school.

Rivers Primary Academy recognises that attendance is a safeguarding matter and that poor attendance may indicate that a child's welfare is at risk.

Rivers Primary Academy also recognises that parents and carers have a legal duty to ensure that children of compulsory school age attend school regularly.

Aims of this policy

At Rivers Primary Academy we aim to:

- Ensure that all children attend our academy for the maximum time possible and at least to the level of national average attendance.
- Ensure that effective attendance practice is understood and implemented by all staff and is closely linked to safeguarding practice.
- Promote punctuality in attendance.
- Support parents and carers in their legal duty to ensure that children of compulsory school age attend school regularly.

To these ends, this policy is designed to:

- Promote regular attendance and reduce absence, including persistent absence.
- Ensure every student has access to the full time education to which they are entitled.
- Act early to address patterns of absence.

Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from legislation setting out the legal powers and duties that govern school attendance.

Attendance Register

By law, all schools are required to keep an attendance register, and all students must be placed on this register. The attendance register will be taken at the start of the first session of each school day and once during the second session.

At Rivers Primary Academy, the gates open at 8.30 am, children can enter their class at this time. Children arriving after 9.00 am will be required to enter school by the front office and a reason will need to be provided and recorded as L. Morning registers are kept open until 9.30 am, children arriving after this time will be recorded as U. The afternoon register is taken after lunch no later than 1.10 pm.

Persistent lateness will result in meeting with the pastoral team or referral to the Education Welfare Officer. Arriving late to school means that pupils miss important input from teachers which impacts upon their learning. It is also very disruptive for the teachers and other class

members.

See Appendix A for the DfE attendance codes.

Unplanned absence

Parents or carers must notify Rivers Primary Academy on 01922 710164 on each day of an unplanned absence, specifying the reason for the absence by 8.30 am or as soon as practically possible.

Absence due to illness will usually be authorised unless the academy has a genuine concern about the authenticity of the illness. When the academy is concerned about the authenticity of the illness, we will ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card. If we are not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised in this instance parents and carers will be notified.

Walsall Council will issue fixed penalty notices on behalf of Rivers Primary Academy for unauthorised absences of 4 consecutive days or more.

Medical or dental appointments

Advance notice is required for authorising these absences and evidence of appointments must be provided. We encourage parents and carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. The absence will be marked as unauthorised for pupils who do not attend school around their medical appointments when able.

Daily absence check

At the start of each day, the class registers are checked and if a child is absent and no communication has been received from the child's parent or carer, then a phone call will be made to find out the whereabouts of the student and the reason for absence. All contact numbers that have been provided to the academy will be tried and messages will be left where necessary. Absence is also followed up to ensure proper safeguarding action is taken. When a child is unexpectedly absent, all efforts must be made to assure their whereabouts and welfare as quickly as possible.

Following the daily absence check, a home visit may take place at the discretion of the academy's Attendance Officer. A visit will always be carried out by members of the academy's pastoral team on the third day of no contact. These visits will continue until absence information has been secured. Children whose attendance is of a concern will be monitored by Walsall Council's Education Welfare Service.

Children Missing in Education

The DfE guidance 'Keeping Children Safe in Education' states 'schools should put in place appropriate safeguarding responses for children who go missing from school, particularly on repeat occasions. Where reasonably practicable, for every pupil, schools should hold an emergency contact number for more than one person. Emergency contact numbers should be provided and updated by the parent with whom the pupil normally resides.

Reporting to parents and carers

Rivers Primary Academy will report student attendance to parents and carers termly at parents evening or more often when monitoring is taking place.

Granting approval for term-time absence

At Rivers Primary Academy, we consider carefully term dates to ensure families are able to enjoy full weeks in and out of school. Leave of absence during term time will not be granted unless 'exceptional circumstances' are considered, this will be granted entirely at the Headteacher's discretion.

When requesting a holiday during term time parents and carers must complete the holiday request form (Appendix B) and meet with the Headteacher. No holidays will be agreed. Walsall Council will issue a penalty notice fine of £60 per parent per child, if paid within 21 days, going up to £120 if paid within 22 to 28 days.

Legal sanctions

Rivers Primary Academy will refer parents of compulsory school age children to Walsall Council's Education Welfare Service where there has been unauthorised absences who will issue a penalty notice.

Strategies for promoting attendance

At Rivers Primary Academy we promote attendance through the use of rewards, pastoral groups, sanctions, assemblies and meetings with parents and carers.

APPLICATION FOR STUDENT LEAVE OF ABSENCE

The Education (Pupil Registration England) Regulations 2006 make clear that Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances. The Head Teacher should determine the number of school days a child can be away from school if the leave is granted.

Exceptional circumstances are defined as:

- Leave for a bereavement of a close family member is usually considered an exceptional circumstance but the funeral service only, not extended leave.
- Leave to visit family members are also not normally granted during term time. Students may however need time to visit seriously ill relatives.
- Leave for important religious observance but only for the ceremony and travelling time, not extended leave. This is intended for one off situations rather than regular or recurring events.
- Leave which takes the needs of the families of service personnel into account if they are return from long operation tours that prevent contact during scheduled holiday time.
- Leave which makes reasonable adjustments for students with special educational needs or disabilities.
- Leave for families who may need time together to recover from trauma or crisis.

The Head Teacher will take into account a child's previous record of attendance when making decisions. The child's education will be paramount, the academy and local academy body are committed to raising stands and therefore the educational needs of the child will be critical in the decision making process.

This form should be completed and a meeting booked with the Head Teacher to enable them to decide whether to authorise the application for leave. If the leave is taken without the authorisation of the Head Teacher, a Penalty Notice will be issued. The Academy expects every student to achieve at least 97% attendance
