Behaviour Policy

Aims of the Policy

- Provide a consistent approach to behaviour management
- Define what we consider to be unacceptable behaviour, including bullying
- Outline how pupils are expected to behave
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management
- Outline our system of rewards and sanctions

Children's Responsibilities:

- To be ready, respectful and safe
- To work to the best of their abilities, and allow others to do the same.
- To obey the instructions of the school staff.
- To take care of property and the environment in and out of school.
- To cooperate with other children and adults.

Staff Responsibilities:

- To be a role model promoting a positive, consistent culture across school
- To treat all children fairly and with respect.
- To raise children's self esteem and develop their full potential.
- To provide a challenging and interesting and relevant curriculum.
- To create a safe and pleasant environment, physically and emotionally.
- To use rules and sanctions clearly and consistently.
- To form a good relationship with parents/carers so that all children can see that the key adults in their lives share a common aim.
- To recognise that each child is an individual, and to be aware of their (special) needs.
- To offer a framework for social education.
- To log all behaviour and sanctions on CPOMs.

Parent/Carer Responsibilities:

- To make children aware of appropriate behaviour in all situations.
- To encourage independence and self-discipline.
- To show an interest in all that their child does in school.
- To foster good relationships with the school.
- To support the school in the implementation of this policy.
- To be aware of the school rules and expectations.
- To offer a framework for social education.

Encouraging outstanding behaviour for learning in school:

- We teach and make clear our expectations for positive behaviour.
- We encourage children to work alongside three simple principles: Ready, Respectful, Safe.
- We encourage children to be ready to learn.
- We encourage children to be respectful of themselves, respectful of their peers, respectful of all staff, respectful of their school and respectful of the community.
- We encourage our children to be safe in the context of the classroom and outside
- We encourage children to take responsibility for their own actions and behaviour.
- We praise good behaviour both privately and publicly.
- We reward behaviour which is deemed 'Above and Beyond' in line with our ASPIRE values.

Good, clear and consistent management both within the context of the classroom and outside the classroom are of paramount importance in establishing good practice of behaviour and discipline within the school. As children within the framework of the school spend a lot of time within the classroom, it is essential that well organised and delivered lessons will seek to secure good standards of behaviour. Bearing this in mind teachers should aim to: -

- Know their pupils as individuals: this means knowing their names, their personalities and interests and who their friends are;
- Plan and organise both the classroom and the lesson to keep pupils interested and minimise the opportunities for disruption;
- Pay attention to such basics as furniture layout, grouping of pupils, seating of pupils, matching work to pupils abilities, pacing lessons well, being enthusiastic and using humour to create a positive classroom atmosphere;
- Be flexible in order to take advantage of unexpected events rather than being thrown off balance by them i.e. visitor at the door in the middle of a lesson;
- Continually observe or 'scan' the behaviour of the class;
- Be aware of, and control their own behaviour, including stance and tone of voice;
- Model the standards of courtesy that they expect from pupils;
- Emphasise the positive, including praise for good behaviour as well as good work.
- Make sure the children are able to articulate R.R.S and what it stands for.
- Make sure classrooms are displaying R.R.S and what this looks like in specific year groups.
- Make sparing and consistent use of punishments. This includes whole group punishments which children will see as unfair. It also means avoiding punishments which humiliate pupils by, for example, making them look ridiculous. This breeds resentment; private rather than public.
- Analyse their own classroom management performance and learn from it.

Behaviour and Coronavirus

At Rivers, we are taking the pandemic very seriously. We continue to follow our rules, ready, respectful, safe and expect all children to adhere to this. Any behaviour that is deemed to intentionally cause risk to others by cross contamination will be dealt with following our policy. All individuals should respect the personal space of others keeping the advised distance as advised by updated risk assessments. They should follow the rules for keeping their hands clean and under no circumstance actively try to spread germs through the unnecessary contact with people or objects around them. If, as a school, we feel a child is doing so, parents will be contacted and the normal procedures for higher level behaviour incidents will be followed.

Classroom Behaviour Management

At Rivers, we expect our children to demonstrate behaviour which comes under three simple words: **Ready, Respectful, Safe (R.R.S)**. We ask that the children are **ready** to learn, **ready** to engage and **ready** to respond. We ask our children to **respect** their peers, **respect** their teachers, **respect** themselves and **respect** the school. We ask our children to make sure that they display positive behaviour which ensures they are safe in school. We follow a restorative approach which promotes praise in public and sanction in private.

Rewards

Hot Chocolate Friday - Every Friday, staff nominate a child in their class who they feel consistently strives to behave above and beyond expectations to be invited to share a hot chocolate with herself and other children from different classes. This will be a chance for Mrs Wright to praise the children in the group for their excellent attitude towards school life and consistent good behaviour.

Recognition Boards - Even though we strive for our children to display behaviour that is 'above and beyond', we still want to recognise all positive behaviour. In all classrooms, staff use the Recognition Board to identify and celebrate the positive behaviour. Individual class teachers chose a focus their class needs to work on.

Class Dojo

All behaviour which demonstrates the ASPIRE values' will be rewarded with a single dojo point at the end of a morning and afternoon session. Staff will be looking for behaviour from the following categories:

When children reach one of the milestones, they will receive a badge to wear around school.

Bronze	50 Dojo points
Silver	100 Dojo points
Gold	200 Dojo points
Platinum	350 Dojo points
Diamond	500 Dojo points

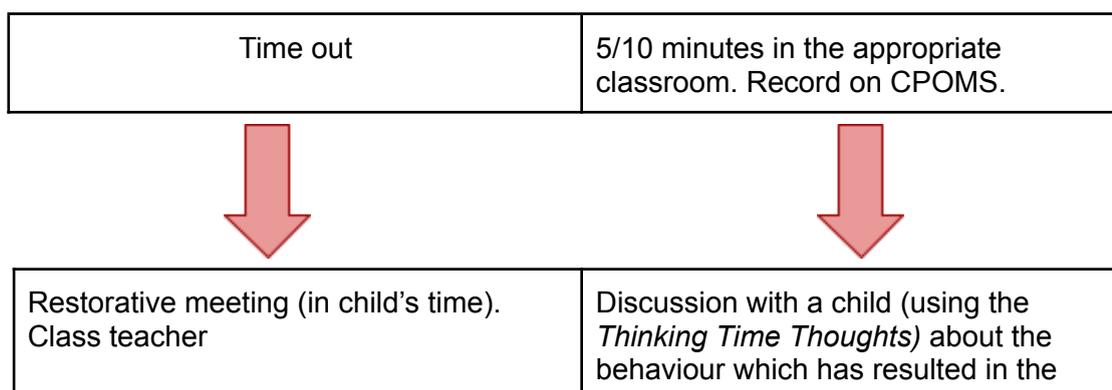

Behaviour Intervention Chart (Sanctions)

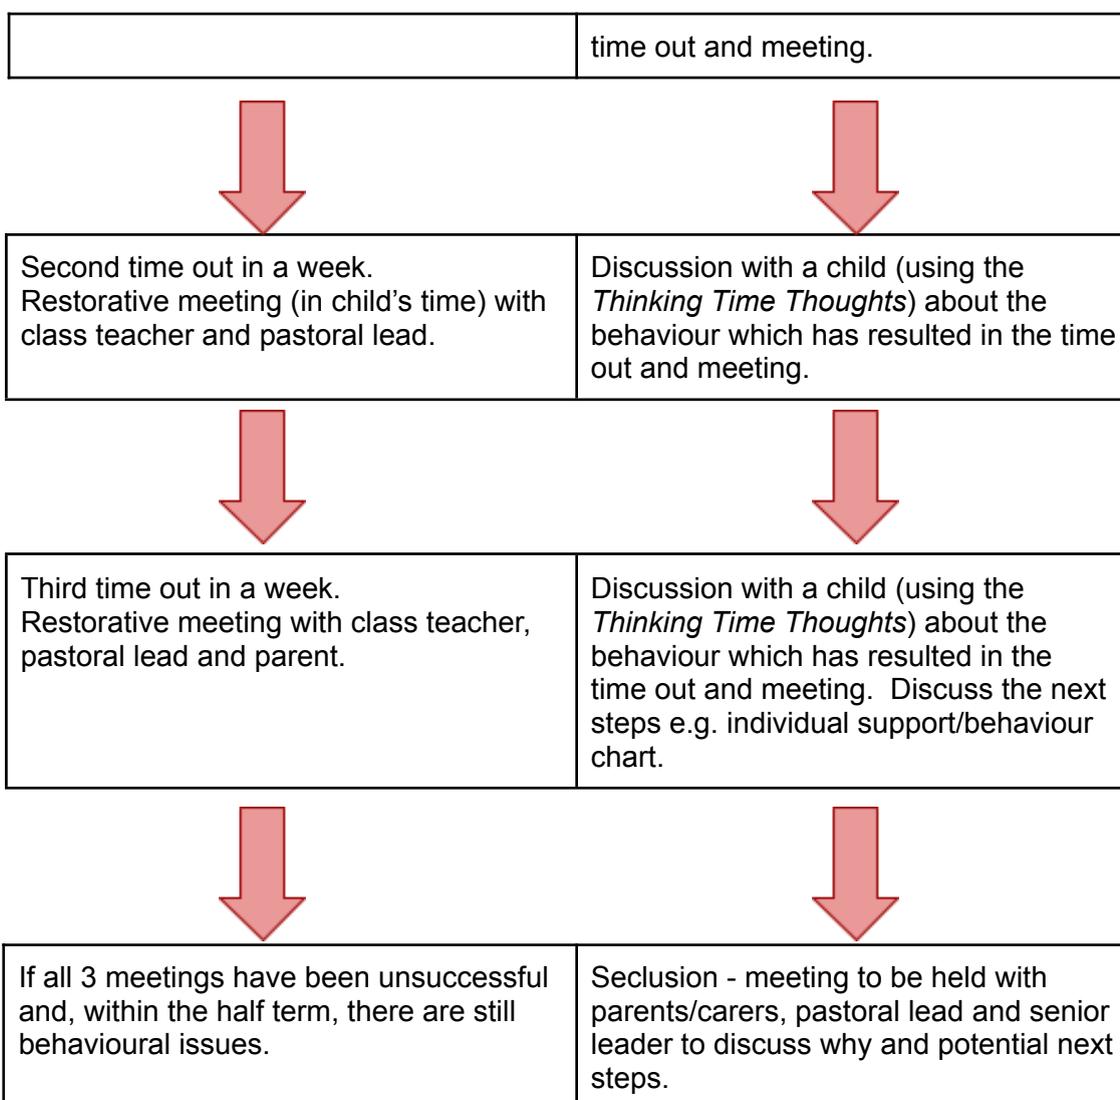

1	Reminder	A reminder of the 3 rules (RRS) delivered privately wherever possible. Repeat reminders if reasonable adjustments are necessary.
2	Caution	A clear verbal caution, delivered privately where possible, making the pupil aware of their behaviour and clearly outlining the consequences if they continue. Use the phrase, 'think carefully about your next step'
3	Last chance	Speak privately and give them a final opportunity to engage. Offer a positive choice to do so and refer to previous examples of good behaviour. Use 30 second scripted intervention. Stay behind 2 mins after class. 2 mins are owed at this stage and cannot be negotiated.
4	Time out	A 10 minute (KS2) and 5 minutes (KS1 and EYF) time in the reflection space (phase leaders classroom) – a few minutes for the child to calm down, breathe, look at the situation from a different perspective and compose themselves. Complete the 'Thinking Time Thoughts'. Phase leaders send their own children to the closest phase leader. This should be recorded on CPOMS by the class teacher.
5	Repair	This might be a quick chat or more formal restorative meeting.

Thinking Time Thoughts:

EYFS Thinking Time Thoughts	KS1 Thinking Time Thoughts	KS2 Thinking Time Thoughts
What happened?	What happened?	What happened?
How did this make people feel?	Who has been affected?	What were you thinking at the time?
What should we do to put things right?	What should we do to put things right?	How did this make people feel?
How can we do things differently in the future?	How can we do things differently in the future?	What are you thinking now?
	How has this made you/others feel?	What should we do to put this right?
		Constant disruption - How can we do things differently in the future?

Serious Behaviour Incidents

Serious behaviour incidents must be logged on CPOMs with the sanction assigned. Phase leaders will be notified in order to monitor the correct sanction. Sanctions for these incidents include lunchtime seclusions, seclusions and exclusions (see appendix A for breakdown of incidents).

Lunchtime seclusions and seclusions will be held the same day if the incident is in the morning of the following day, and will be facilitated by a member of assigned staff. If negative behaviour has led to incomplete work this should be taken with them but lunchtime seclusion is not a space to catch up on work otherwise.

If the behaviour is deemed as severe, the Headteacher has the authority to exclude a child from school, in accordance with the Education Act 2006. A child may be excluded for one or more fixed term periods, up to a total of 45 days in any one school year.

If the exclusion is longer than 5 days the school has a duty to arrange suitable full time educational provision from and including 6th consecutive day of the exclusion, this can be at a shared provision or 'off site' venue. Where a Looked after Child is excluded, provision should be in place from the 1st day of exclusion.

Following the period of exclusion, the parent/carer and the child must attend a reintegration meeting on their return led by a member of SLT. The purpose of this is to make clear that their return to school is based on the understanding that their actions must not be repeated and they must demonstrate that they are making every effort to improve their attitude and conduct.

In extreme cases, a child may be permanently excluded from school in accordance with the Department for Education (DfE) and the Local Education Authority (LEA). Exclusions must be agreed by the Headteacher.

Lunchtime Behaviour and other social times

The same key messages for behaviour also apply at all social times. The behaviour policy is closely followed by our lunchtime staff and they receive CPD to ensure that consistent messages are being delivered. The pastoral team and senior leadership team are also available at lunchtime modelling positive play.

To encourage positive behaviour at lunchtime, and continue to promote the ASPIRE values, all of our children will have the chance to earn a Dojo at lunchtime. Each day, two children from each class who have demonstrated the week's focus value are rewarded with a Dojo point. This is given to the child on a card for their teacher to upload to Dojo.

If a child is demonstrating disruptive behaviour at lunchtime, they will be asked to have time out with a member of the pastoral team or a senior lunchtime supervisor. If there is a serious breach of rules which would result in attending the lunch time seclusion room to be investigated by the leader on duty.

Playground leaders will be allocated into a zone on the playground to model positive behaviour and play. Both play leaders and staff on duties should promote a positive culture and ensure suitable language is being used by all. We will not tolerate derogatory language.

Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

Type of bullying	Definition
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Racial	Racial taunts, graffiti, gestures
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention,

	comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

Details of our school's approach to preventing and addressing bullying are set out in our [Anti-bullying Policy](#).

Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the pupil in accordance with this policy.

Please refer to our [Allegations of Abuse against Staff Policy](#) for more information on responding to allegations of abuse. The headteacher will also consider the pastoral needs of staff accused of misconduct.

Physical restraint

In some circumstances, trained staff may use reasonable force to restrain a pupil to prevent them from

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

Please refer to our [Positive Safe Handling Policy](#) for more information.

Confiscation

Any prohibited items (listed in section 3) found in pupils' possession will be confiscated. These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching and screening pupils is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

Training

Our staff are provided with an induction to our behaviour policy upon appointment.

Behaviour also forms part of continuing professional development.

Monitoring arrangements

This behaviour policy will be reviewed by the lead for Behaviour and Local Advisory Board every year. At each review, the policy will be approved by the headteacher.

Links with other policies
